RECAP

As we wrap up March, we want to acknowledge the hard work and dedication our students have put into preparing for FAST testing in the first days of April. With all the boot camps and grade-level meetups, we know they are more than ready to tackle these assessments with confidence!

We also hope everyone had a wonderful spring break and took the opportunity to rest, recharge, and make amazing memories. We can't wait to hear about all the fun places you visited and the exciting things you did! As we move into April, keep in mind that this is a test-heavy month. Be sure to come prepared with all your testing essentials, a clear and focused mindset, and the confidence to succeed. You've put in the work—now it's time to show what you know!

Let's make April a month of success!
