DECEMBER RECAP

December kicked off with an unforgettable iFLY field trip, where our students had the opportunity to fly, learn, and connect with one another.

Throughout the month, our boot camps and study halls helped students stay focused and finish Semester 1 strong. We hope everyone enjoyed a restful holiday break and quality time with loved ones. As we wrap up the first semester, we want to thank our students, families, and staff for their dedication and hard work—it truly made this first half of the year a success.

As we head into the new month, we're gearing up for testing and an exciting new semester. We are also thrilled to welcome new students and families into our growing community, and we look forward to another great chapter ahead!

Happy New Year!

MEDIA CLUB PRESENTS...

TEACHER OF THE MONTH

Ms. Vigil has been honored as Teacher of the Month for January, as voted by a group of students. She is part of our virtual school's mathematics department, where her engaging teaching style and commitment to teaching math have profoundly influenced her students.

*On behalf of the virtual students,
Congratulations, Ms. Vigil on this well-deserved recognition!*

CHARACTER OF THE MONTH:

Responsibility

WHAT IS RESPONSIBILITY?

Owning my actions, using good judgment and practicing self-control.

Responsibility means understanding how our actions affect others and making thoughtful choices that create a positive environment. It's about being kind, considerate, and willing to adjust our behavior to support those around us. When students act responsibly, they help create a respectful, supportive community where everyone can succeed.
